Dear Mr. Panuccio and Mr. Hart:

Please accept this letter as confirmation of your agreed-upon Program Year (PY) 2014 performance levels for the Workforce Investment Act (WIA) and Wagner-Peyser (W-P) programs. A summary of these performance measures are listed in the enclosed table. We are confident the goals are fair and will provide a high-level of service to the workers and employers in Florida.

Additionally, this letter constitutes a modification to your State Plan. States must ensure that the agreed-upon goals are included in their official copy of the State Plan and that any published State Plan on the state's Web site or through other forums includes the agreed-upon goals. ETA will incorporate the agreed-upon goals into the Regional and National Office copies of the State Plan. Please express our appreciation to your staff for their cooperation and knowledge of labor market conditions, workforce challenges, and service delivery strategies that they shared during the negotiations session.
