INTRODUCTION

As part of Workforce Innovation and Opportunity Act implementation, the State of Florida has convened a special taskforce to examine implementation issues and make recommendations for CareerSource Florida (CSF). In turn, CSF will develop and finalize tools for service delivery in the field and recommendations to policymakers—both the Governor and the State Legislature.

CSF has partnered with WorkED Consulting to develop an “Asset Map” that provides data on (1) service delivery locations and clusters, and (2) partner program administrative structures. The Asset Map is designed to be “user friendly,” and an information source for the Taskforce, CSF and the public at-large.

The required partner programs identified under WIOA include:

1. WIOA Adult, Dislocated Worker and Youth programs (core)
2. Wagner Peyser Employment Service (core)
3. Adult Education and Literacy (core)
4. Vocational Rehabilitation (core)
5. Title V of Older Americans Act (SCSEP)
6. Perkins Career and Technical Educational (CTE) programs
7. Trade Adjustment Assistance (TAA)
8. Veterans Employment and Training
9. Community Services Block Grant (CSBG) employment programs
10. HUD employment programs
11. Unemployment Insurance
12. Second Chance Act
13. Temporary Assistance to Needy Families (TANF)

WIOA also identifies various additional partner programs that may be part of a local one-stop delivery system:

1. Social Security Administration employment and training programs
2. Small Business Administration employment and training programs
3. SNAP employment and training programs
4. Vocational Rehabilitation special projects and demonstrations
5. National and Community Service Act programs
6. Other federal, state or local programs

ADMINISTRATIVE STRUCTURE

This administrative structure matrix identifies the core partner programs, as well as other partners with a large footprint in Florida. Information contained is largely based on submissions of information provided as part of the Taskforce process.

WIOA Partner Program Administrative Structure Matrix

Partner Program	Federal Agency	Florida Agency	Administrative Structure	Service Delivery Structure
WIOA Adult WIOA DW WIOA Youth	Labor	Department of Economic Opportunity (DEO)	DEO has three main programmatic divisions: (1) Division of Workforce Services, (2) Division of Strategic Development, and (3) Division of Community Development. WIOA services are administered through the Division of Workforce Services.	Services are delivered through 24 local workforce investment areas and the CareerSource one-stop system, which includes 77 Full Service and 25 Satellite Centers and 1 Business Center.
Wagner Peyser	Labor	Department of Economic Opportunity (DEO)	DEO has three main programmatic divisions: (1) Division of Workforce Services, (2) Division of Strategic Development, and (3) Division of Community Development. WP services are administered through the Division of Workforce Services.	Services are delivered through 24 local workforce investment areas and the CareerSource one-stop system using state-merit staff employees.
Adult Education	Education	Department of Education	The Division of Career and Adult Education within the Florida Department of Education administers the Adult Education program.	Workforce Education includes both Adult Education-funded services and Career and Technical Education and is delivered through a network of service providers, including District Technical Centers, Adult Education Providers and Florida colleges.
Vocational Rehabilitation	Education	Department of Education, Division of Vocational Rehabilitation (VR)	VR has an advisory board named the Florida Rehabilitation Council (FRC). Council members are appointed by the governor. The FRC reviews, analyzes, and advises VR, and management takes council recommendations under advisement. VR has a headquarters office and 6 administrative offices/regions.	VR provides services through 88 locations across the State of Florida.

Division of Blind Services	Education	Department of Education, Division of Blind Services	The Division of Blind Services provides services and services to individuals who are visually impaired. The Florida Rehabilitation Council for the Blind reviews policies and provides guidance to the Division.	The Division of Blind Services provides services through 15 locations throughout the State of Florida.
Perkins	Education	Department of Education	The Division of Workforce Education within the Florida Department of Education administers the Perkins program. The Division provides leadership and technical assistance in an ongoing effort to meet or exceed the State's adjusted levels of performance. These activities include the identification of high skill, high wage, or high demand occupations; the development of instructional programs; guidance strategies designed to increase student productivity; and professional development activities for teachers and faculty.	Florida offers approximately 360 career and technical programs and courses that range from seventh grade through an Associate in Science Degree. Perkins funds are used to support programs for students in grades 7-14 in 67 school districts (including charter schools), 28 community colleges, Department of Juvenile Justice programs, Florida School for the Deaf and the Blind, Florida's University Developmental Research Schools, correctional facilities and other eligible recipients.
Temporary Assistance to Needy Families (TANF)	HHS	Department of Children and Families	The Department of Children and Families is the recipient of the TANF block grant, and is responsible for determining eligibility for a TANF payment to eligible families and for imposing penalties for a participant who fails to meet Welfare Transition work requirements. In addition to determining program eligibility, DCF directly contracts with other public and private organizations to provide for some of the TANF family support services (non-assistance) programs described in the State Plan.	Applications for cash assistance are taken electronically, at community partner locations and at DCF Customer Service Centers. Employment services are provided through the CareerSource one-stop system.

LOCAL WORKFORCE DEVELOPMENT AREAS

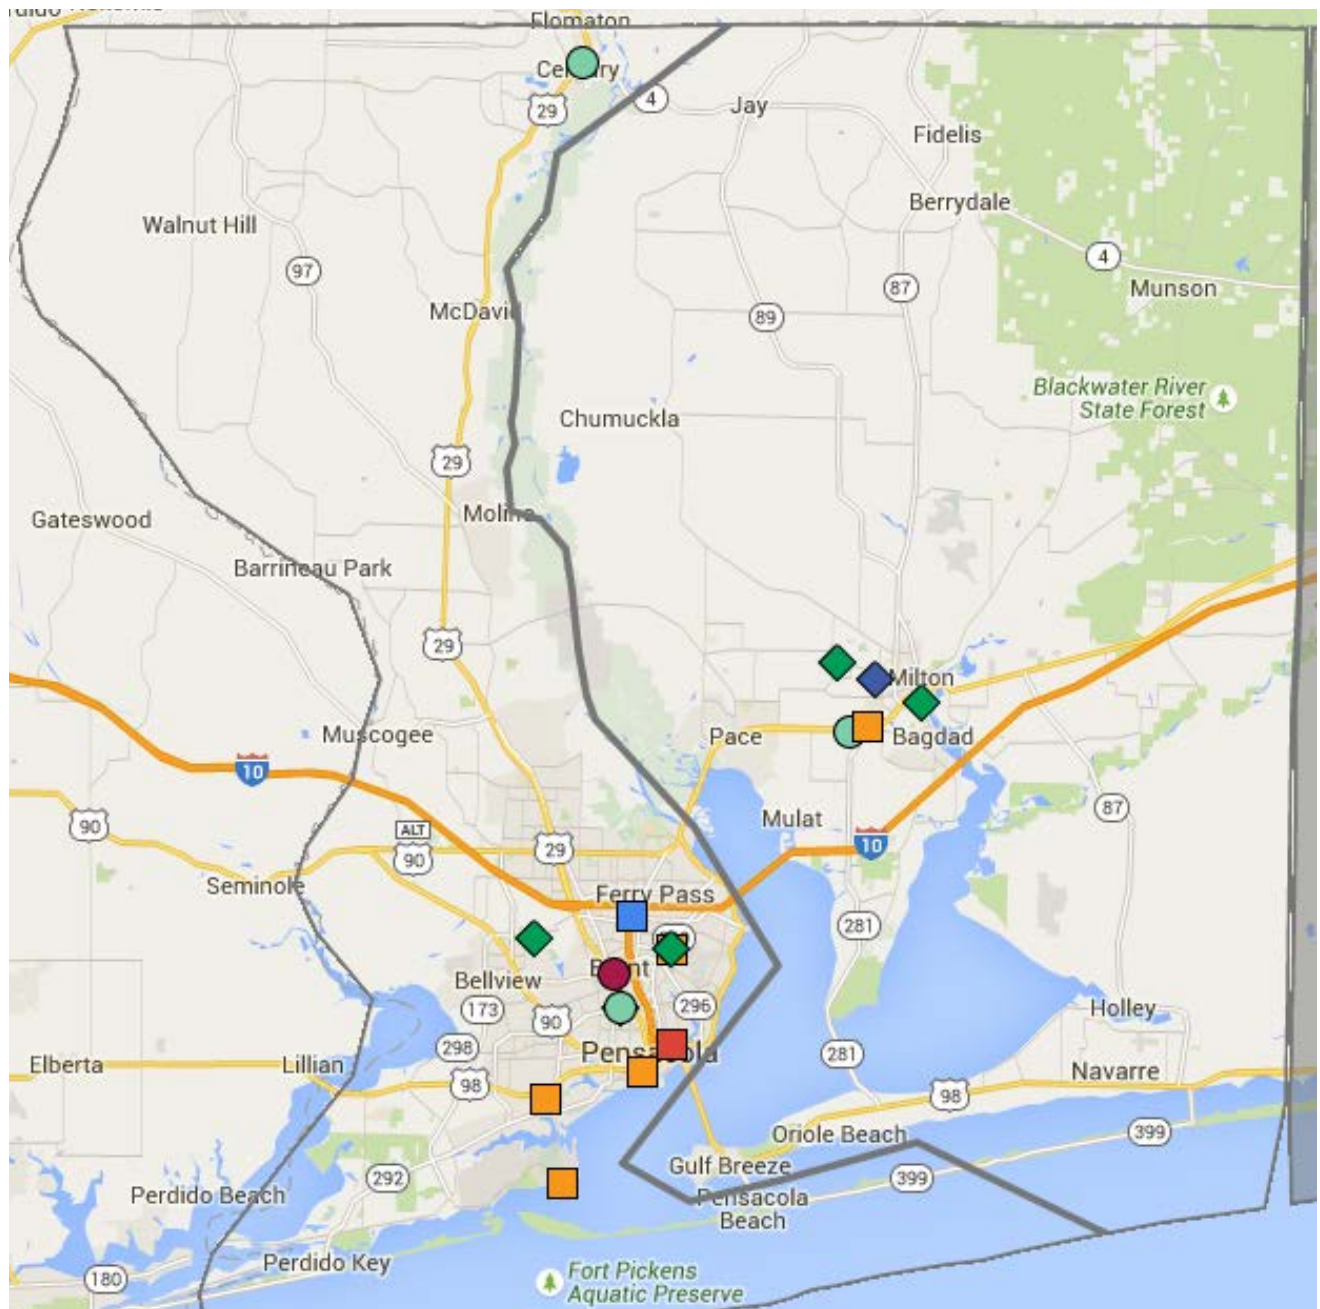

Under the Workforce Innovation and Opportunity Act (WIOA), the State of Florida has provided initial designation to 24 local workforce development areas. These 24 local areas remain unchanged from the areas designated under the Workforce Investment Act (WIA). Initial designation lasts for a total of two years—from July 1, 2015 to June 30- 2017.

The maps on the following pages display the physical infrastructure and assets in each of the 24 local workforce development areas.¹
