Consent Item

Approval of June 27, 2022, Meeting Minutes, to include any modifications or changes noted by the board.

Overview of Labor Market Estimating Conference Data

- Conference convened Oct. 25, 2022
- Summary of adopted product
 - Wage information by occupation
 - Occupations in undersupply identified within occupations requiring non-degree postsecondary credentials and associates degrees
 - Wage and undersupply aggregated for state and all 24 local workforce development board areas

CAPE (Career and Professional Education) Funding Eligibility

- Application window open Nov. 1 – 30, 2022 before Committee adopts a definition of Credentials of Value
- Applications for both K-12 and postsecondary industry certifications will be accepted
- Allows more time for evaluation of new industry certification

CAPE Funding Eligibility

- Industry certifications on the existing Master Credentials List **do not** need to submit an application
- Industry certifications collected as part of the Credentials Review Committee workgroups **do not** need to submit an application
- Must align with a Standard Occupation Classification code identified in either the Labor Market Estimating Conference product as one in undersupply **or** on any of the 2020-21, 2021-22, or 2022-23 Regional Demand Occupation Lists

Review of Timeline and Framework of Quality Updates

Dan McGrew

Senior Vice President

Business and Workforce Strategies
