Action Item 1

CAREERSOURCE FLORIDA ADMINISTRATIVE POLICY 110 LOCAL WORKFORCE DEVELOPMENT AREA AND BOARD GOVERNANCE

Public Law 113-128, The Workforce Innovation and Opportunity Act (WIOA) envisions a workforce development system that focuses on the needs of job seekers and businesses, and anticipates and responds to the needs of local and regional communities.

WIOA requires local workforce development boards and chief elected officials to design and govern the system regionally, align workforce policies and services with regional economies, and support service delivery strategies tailored to those needs. The local area serves as a jurisdiction for the administration of workforce development activities which require the chief elected official to play an active role in both the strategic planning and ongoing operation of the local system. Agreements between the chief elected official and the entities responsible for the local workforce development system address how the local area functions and how administrative tasks are carried out within the local area.

On February 18, 2021, the CareerSource Florida Board of Directors approved CareerSource Florida Administrative Policy 110 – Local Workforce Development Area and Board Governance. The Florida Department of Commerce (formerly known as the Florida Department of Economic Opportunity) issued the administrative policy on March 4, 2021. On July 1, 2021, this policy was revised and approved by the CareerSource Florida Board of Directors to incorporate the requirements of the [Reimagining Education and Career help Act of 2021 \(House Bill 1507\)](#).

On May 15, 2023, Senate Bill 240, an act relating to education, amended Section 445.007(15), Florida Statutes formally changed the name of the Florida Department of Economic Opportunity to the Florida Department of Commerce. This legislation also added additional requirements to the function of local workforce development boards including the appointment of local education and industry consortiums by local boards. On June 7, 2023, the CareerSource Florida Board of Directors approved the following strategic policies:

- [Board Governance and Leadership](#)

- [Certification of Local Workforce Development Areas and Local Workforce Development Boards](#)

Additionally, on September 19, 2023, the CareerSource Florida Board of Directors approved [CareerSource Florida Strategic Policy – Education and Industry Consortiums](#).

CareerSource Florida Administrative Policy 110 – Local Workforce Development Area and Board Governance is updated to incorporate changes to Florida Statutes and policies approved by the CareerSource Florida Board of Directors and implemented by the Florida Workforce Development System. This policy provides guidance to Chief Local Elected officials, fiscal agents, local workforce development boards, local board chairpersons, local workforce development board staff, and workforce system partners on the requirements for local workforce development area and local workforce development board governance. This policy outlines key roles, responsibilities, and requirements of the entities/individuals that make up the workforce development system within the local area.

This administrative policy also identifies and describes required agreements to ensure the local area serves as a jurisdiction for the administration of workforce development activities and expenditure of Workforce Innovation and Opportunity Act adult, dislocated worker, and youth funds allocated to local workforce development boards by the Florida Department of Commerce.

The purpose of this policy is to provide guidance to Chief Local Elected Officials (CLEOs), Fiscal Agents, Local Workforce Development Boards (LWDBs), LWDB Chairpersons, LWDB staff, and workforce system partners on the requirements for local workforce development area (local area) and LWDB governance. This policy outlines key roles, responsibilities, and requirements of the entities/individuals that make up the workforce development system within a local area.

The local area serves as a jurisdiction for the administration of workforce development activities which requires the CLEO to play an active role in both the strategic planning and ongoing operation of the local workforce development system. Agreements between the CLEO and the entities responsible for the

local workforce development system will address how the local area functions and how administrative tasks will be carried out within the local area.

- a) Leading the board to develop a guiding vision that aligns with the state's priorities;
- b) Acting as the lead strategic convener to promote and broker effective relationships between CLEOs and economic development, education, and workforce partners in the local area;
- c) Leading an executive committee to guide the work of the board, and ensure that committees or task forces have necessary leadership and membership to perform the work of the board;
- d) Leading the agenda setting process for the year and guiding meetings, ensuring both tactical and strategic work is completed in all meetings;
- e) Appointing members to the Education and Industry Consortium;
- f) Providing the annual performance review of the LWDB executive director to the CLEO(s) and at least once annually to the LWDB, and upon request of the LWDB; and

- g) Appearing before the state workforce development board (state board) to discuss the performance of the LWDB, upon the request of the state board.

5. Local Workforce Development Board Executives

The LWDB may hire a qualified executive director and staff to assist in ensuring the functions of the local board are achieved. The LWDB must ensure the individual or entity designated as the executive director has the requisite knowledge, skills, and abilities to meet identified benchmarks and to assist in effectively and ethically carrying out the functions of the LWDB which include, but is not limited to:

- a) Coordinating with the CLEO(s) regarding the identification and nomination of members to the LWDB and ensuring membership is compliant with WIOA and Florida Statutes;
- b) Organizing local board meetings and ensuring meetings are held according to the LWDB's bylaws and Florida's sunshine laws;
- c) Developing and submitting the local and regional plan;
- d) Conducting oversight of the WIOA adult, dislocated worker, youth programs and the entire one-stop delivery system, including development of policies and monitoring the administration of the programs;
- e) Negotiating and reaching agreement on local performance measures with the CLEO and FloridaCommerce;
- f) Ensuring the outcomes of local performance measures are provided to the LWDB members and CLEO no less than semi-annually.
- g) Negotiating with CLEO and required partners for the Memorandum of Understanding (as prescribed in [Administrative Policy 106 - Memorandums of Understanding and Infrastructure Funding Agreements](#));
- h) In compliance with local board procurement policy, provide oversight of the competitive procurement process for procuring or awarding contracts for providers of youth program services, providers of workforce services (if applicable), and the one-stop operator as required in paragraph (i) of 20 CFR 679.370;
- i) Developing a budget for activities of the LWDBs;
- j) Certifying the one-stop career centers. One-stop certification requirements may be found in [Administrative Policy 93 – One-Stop Career Center Certification Requirements](#); and
- k) Providing copies of all monitoring and audit reports and related materials to the LWDB members, LWDB chairperson, and CLEO within five business days of receipt.

Executive directors, chief financial officers, and chief operating officers who represent a LWDB may not personally contract with or otherwise represent more than one LWDB. Under extraordinary circumstances, LWDBs may request approval for a temporary exception to this prohibition from the state board and

FloridaCommerce by emailing the request to FloridaCommerce at LWDBGovernance@commerce.fl.gov.

Chief executive officers, chief operating officers, and chief financial officers may not simultaneously act as members of any LWDB.

6. One-Stop Operator

The one-stop operator is the entity or consortium of entities that coordinates service delivery of required one-stop partners and service providers. WIOA requires LWDBs to use a competitive procurement process to select its one-stop operator and to competitively reprocur these services every four years, in accordance with WIOA sec. 121(d) and 20 CFR 678.600 through 678.635. See [Administrative Policy 097 – One-Stop Operator Procurement](#) for the requirements LWDBs must follow to select one-stop operators.

7. Provider of Workforce Services

LWDBs are required to select the provider of basic and individualized career services (also referred to as “workforce services”) and have the option of being direct providers of workforce services or awarding grants or contracts for these services. WIOA allows LWDBs to be direct providers of workforce services with the agreement of the CLEO in the local area, LWDB, and the Governor. See [Administrative Policy 083 – Direct Provider of Workforce Services](#) for the requirements LWDBs must follow to serve as direct providers of workforce services.

8. Youth Service Provider

LWDBs are required to select providers of youth workforce services through competitive grants or contracts. LWDBs have the option of directly providing some or all youth workforce services rather than awarding grants or contracts for these services. LWDBs that choose to award grants or contracts for youth workforce services must do so through a competitive procurement process in accordance with WIOA sec. 123 and 20 CFR 681.400. See [Administrative Policy 120 – Youth Service Provider Selection](#) for the requirements LWDBs must follow to select youth service providers.

B. One Entity Performing Multiple Functions

WIOA establishes clear roles and responsibilities for each entity or organization involved in the workforce delivery system. The LWDB must ensure that roles and duties of workforce delivery system entities are clearly delineated. This includes efforts to designate and/or procure the functions of the fiscal agent, staff to the LWDB, one-

stop operator, direct provider of workforce services, and provider of youth program services.

One entity may perform multiple functions if appropriate firewalls and internal controls are in place. Local entities or organizations often function simultaneously in a variety of roles, including fiscal agent, staff to the LWDB, one-stop operator, provider of workforce services, and provider of youth program services.

See Section IV.D. for requirements for LWDBs serving multiple functions.

C. Local Workforce Development Boards as Direct Providers of Workforce Services

Ideally, entities providing workforce services are procured through the LWDB, which is responsible for monitoring and overseeing the contracts, as well as services performed through the contract. The LWDB is designed to oversee the workforce delivery system and its services. Chapter 445.007(6), F.S. allows LWDBs to be designated as the one-stop operator and direct provider of services (except training services), with the agreement of the CLEO and the state board (as delegated by the Governor) based on the criteria established by the state board.

LWDBs seeking to provide workforce services, except training services, will follow the requirements established in [Administrative Policy 083 – Direct Provider of Workforce Services](#).

LWDBs seeking designation as the one-stop operator, must comply with the criteria prescribed in this administrative policy and [Administrative Policy 097 – One-Stop Operator Procurement](#).

D. Local Workforce Development Boards Serving Multiple Functions

Consistent with WIOA sec. 121(d)(4)(A) and (C), LWDBs selected to perform multiple functions in a local area must develop a written agreement with the CLEO to clarify how the LWDB will carry out its responsibilities while demonstrating compliance with WIOA and corresponding regulations, the Uniform Guidance, and conflict of interest policies of both the State and LWDB. (See TEGl 15-16, Section 11. Avoiding Conflicts of Interest.).

LWDBs serving multiple functions must be able to demonstrate that roles, responsibilities and duties of each function are clearly defined and delineated in locally established processes and procedures that clearly detail:

- a) How functions are sufficiently separated;
- b) Descriptions of the steps the local area has taken to mitigate risks that could lead to impropriety;
- c) Firewalls (physical, technological, policies, etc.) created to ensure such risks are mitigated; and
- d) Oversight and monitoring procedures.

These processes and procedures must be included in the LWDB's WIOA Local Plan.

E. Temporary Assumption of Duties for Procured and Contracted Services

In certain critical circumstances, (e.g., sudden termination of contract or failed procurement), the LWDB may be faced with the need to temporarily assume the role(s) of one-stop operator, direct provider of workforce services, and/or youth program service provider. When this happens for the one-stop operator or workforce services, LWDBs may request to temporarily assume the responsibilities that were being provided by a contracted vendor or services being sought when the procurement failed. Requests for LWDBs to act as a one-stop operator and/or provider of workforce services on a time-limited and temporary basis⁶ must be approved by the CLEO and submitted to FloridaCommerce. The request must include the duration (six months or less) for which the LWDB will act as a one-stop operator or provider of workforce services. Upon receipt of the request, FloridaCommerce will review for compliance with applicable governing authorities and make a recommendation for consideration by the state board. The LWDB must begin the competitive procurement process within 30 days of approval to serve in a temporary capacity. Should the LWDB desire to serve as the one-stop operator, the LWDB must participate in the competitive procurement process as prescribed in [Administrative Policy 091 – One-Stop Operator Procurement](#).

When this happens for youth workforce services, the LWDB is not required to submit a request to FloridaCommerce to assume these responsibilities. However, the LWDB must adhere to the requirements in **Section IV. D.** of this policy when the LWDB serves multiple functions.

1. Sudden Termination of Contract

In the event of a sudden termination of contract, the LWDB must submit a formal request to serve in the capacity of the role in which the contract was terminated.

The LWDB will:

- a) Submit a request to serve in the role in which the contract was terminated;
- b) Provide documentation of the original contract and the termination notification, which should include the reason for termination;
- c) Provide an explanation and an organizational chart showing who will be responsible for assuming the role(s) temporarily. The explanation and organizational chart must clearly illustrate how the following will be enforced to minimize potential risks associated with the temporary designation.
 - 1) Separation of duties; (including but not limited to the temporary removal of duties from certain areas/individuals to allow assumption of the temporary role);

⁶ In this context, temporary is defined as six months or less.

- 2) Firewalls; (including but not limited to restriction from access to any information that may lead to impropriety); and
 - 3) Conflict of interest requirements.
- d) The length of time in which the LWDB seeks to temporarily serve in the role in which the contract was terminated, not to exceed six months from the date of request.

LWDBs will submit formal requests for temporary designation to FloridaCommerce via email to LWDBGovernance@commerce.fl.gov.

2. Failed Procurement

In the event of a failed procurement, the LWDB must submit a formal request to serve in the capacity of the role for which the procurement failed and provide the following:

- a) A copy of the competitive solicitation;
- b) Proof of the announcement medium used (e.g., newspaper, social media, website, email notification to potential bidders), including documentation showing how long the announcement was posted; and
- c) The length of time the LWDB seeks to temporarily serve in the role.
- d) An explanation and an organizational chart showing who will temporarily be responsible for assuming the role(s). The explanation and organizational chart will clearly illustrate how the following will be enforced to minimize potential risks associated with the temporary designation.
 - 1) Separation of duties; (including but not limited to the temporary removal of duties from certain areas/individuals to allow assumption of the temporary role);
 - 2) Firewalls; (including but not limited to restriction from access to any information that may lead to impropriety); and
 - 3) Conflict of interest requirements.

Additionally, the LWDB will:

- a) Review the previously issued competitive solicitation and identify any elements that led to the failed procurement (e.g., unrealistic compensation for requested services, duties outside the scope of the role for which services are being sought);
- b) Update and reissue the competitive solicitation (within 30 days of being granted temporary authority to serve in the role in which the procurement was not successful);

- c) Notify FloridaCommerce of the selection upon final approval by the LWDB once an entity is selected; and
- d) Onboard the selected entity of the new solicitation on or before the end of the temporary designation.

The individual or entity contracted to fulfill the role of the LWDB executive director must not be the one-stop operator or the provider of workforce and/or youth program services.

LWDBs will submit formal requests for temporary designation to FloridaCommerce via email to LWDBGovernance@commerce.fl.gov.

3. Local Workforce Development Area Multi-Function Agreement

For circumstances in which an entity or organization, other than the LWDB, has been selected or otherwise designated to perform more than one function, the required contract or written agreement must include a clause to clarify how the entity will carry out its responsibilities while demonstrating compliance with WIOA and corresponding regulations, relevant OMB circulars, and the state's conflict of interest policy. The written clause in the contract or agreement must include, at a minimum, the following requirements:

- a) Definition of roles and responsibilities/duties per function (e.g., fiscal agent, one-stop operator, and/or procured provider of workforce or youth program services);
- b) Description of the separation of staff duties under each role, including deliverables for each separate function;
- c) Description of how budget authority is separated, including separate line-item budgets for each function;
- d) Description of how staff duties will be completed while demonstrating compliance with WIOA and corresponding regulations, OMB circulars, and the state's conflict of interest policy, including how conflict of interest will be minimized;
- e) Description of the roles and responsibilities within the organization, including an organizational chart, and sustainability if a function is removed; and
- f) Description of how fiscal monitoring will occur if the fiscal agent is performing multiple functions.

The written clauses in the agreement are intended to limit conflicts of interest or the appearance thereof, minimize fiscal risk, and develop appropriate firewalls within a single entity performing multiple functions.

F. Governance Agreements

Implementation of a local workforce development system pursuant to WIOA requires CLEOs to play an active role in both strategic planning and ongoing operation of the local workforce development system. When a local area includes more than one unit of general local government, the chief elected officials of such units may execute a written agreement that specifies the respective roles and liability of the individual CLEOs. CLEOs are liable in their official capacity but not personally liable for the misuse of WIOA funds.

1. Interlocal, Consortium, and Other Agreements

The purpose of having interlocal, consortium, or other governing agreements is to ensure the decisions that are delegated to CLEO(s), or a consortium, reflect the agreement of all the chief elected officials in all jurisdictions of a local area and consistent with requirements established in section 163.01, F.S. These agreements are between the chief elected officials of each jurisdiction within the local area and must contain signatures of the representative(s) authorized to enter into such agreements.

The interlocal or consortium agreement will clearly state the level of agreement to be reached amongst the governmental entities involved and identify the roles and responsibilities of the CLEOs within the local area. At a minimum, applicable agreements will address:

- a) **Identification of local workforce development area** - The agreement will clearly identify the units of local government which are covered by the agreement and which make up the local area.
- b) **Designation and responsibilities of the CLEO** - The parties to the interlocal agreement should identify the county commissioners and/or mayors to serve as the CLEO(s) of the local area for the purposes of approving local and, if appropriate, regional plans; establishing policy; authorizing WIOA expenditures; establishing contracts; paying for services outside of the local area; or paying costs associated with monitoring or audit findings or sanctions.

Areas where a consortium is serving in the capacity to perform the duties and functions of the CLEO will describe the duties/responsibilities of the consortium, members that make up the consortium, and the authority of its members in an agreement signed by the applicable elected officials or their authorized designee.

- c) **Establishment, appointment, and operation of the LWDB** - The agreement should include an agreed upon process for establishing and appointing the LWDB members, including:
- 1) Membership of the LWDB that is consistent with WIOA and state policy; and
 - 2) How the needs of all geographical areas in all jurisdictions will be represented within the local area.
 - 3) Development of a process for all CLEOs to participate in the LWDB membership appointment process to ensure appropriate and equitable representation from all counties included in the local area and reflect the representation in interlocal, consortium, and/or other agreements.

The following questions including, but not limited to, may be used to guide such discussions:

- 1) How many members should represent each county in the local area?
 - 2) Should county population be considered when determining LWDB member representation?
 - 3) What is the appropriate level of financial responsibility for each county and should the financial responsibility be factored into the LWDB member representation?
- d) **Designation and responsibilities of the fiscal agent** - The agreement will identify the entity performing these duties and its responsibilities.
- e) **Process for CLEOs to provide input** - The agreement will include a process for all CLEOs to provide input for the purposes of reaching a consensus on critical decisions that may impact the local workforce development system.
- f) **Liability** - Under WIOA, CLEOs are liable for misspent funds, disallowed costs, funds spent fraudulently, and potential sanctions for nonperformance. Therefore, CLEOs within a local area must agree on how liability will be addressed. The following questions can be used to guide such discussions:
- 1) How will sanctions related to performance be shared among the jurisdictions within the local area?
 - 2) How will the issue of disallowed costs or misspent funds that cannot be covered by federal grant funds be addressed?
 - 3) What is each county's share of the financial responsibility as a percentage of the total amount to be repaid?
- g) **Performance Accountability** – Generally, performance accountability is addressed in the WIOA local plan. However, CLEOs will agree on an approach

to performance accountability. The following questions may be used to guide such discussions:

- 1) Who will be responsible for negotiating local performance measures with the state (the Executive Director / staff to the board, local board)?
 - 2) Will the local area have any performance criteria in addition to federal and state criteria? How will performance be administratively tracked locally?
 - 3) Will performance-related incentives be shared among the jurisdictions within the local area?
- h) **Dispute Resolution Process** - The governing agreement should include provisions for resolving disputes. Below are possible issues to address in the agreement relative to dispute resolution:
- 1) What types of disputes arise to the level of needing a dispute resolution process?
 - 2) What type of dispute resolution process should be used (mediation, arbitration, consultation with state, etc.)?
- i) **Other Agreement Provisions (Miscellaneous)**
- 1) Duration of the agreement; and
 - 2) Process for modification or termination of the agreement.

2. Bylaws

Bylaws are the provisions by which the local area is governed and the LWDB and its operations are managed. They provide consistency and clarification on the roles and responsibilities of the various representatives governing the local workforce development system. In partnership with the CLEO, the LWDB must ensure that its bylaws are up-to-date and in alignment with requirements of WIOA and state policy. At a minimum, the following should be reflected in the local area's bylaws.

- a) **Purpose and Responsibilities (Functions)** – Describe the purpose of the LWDB (e.g., to set policy and establish oversight of the workforce development system). Describe the functions or the responsibilities of the LWDB (e.g., the local board has the responsibility to provide strategic and operational oversight, assists in achievement of the State's strategic and operational vision and goals, and maximizes and continues to improve quality of services, customer satisfaction, and effectiveness of services provided). A list of the LWDB's responsibilities can be found in **Section IV.A.3.** of this policy and 20 CFR 679.370.
- b) **Membership** – Include the processes and procedures for the following:

1. Recruiting, nominating, vetting, and appointing LWDB members;
2. Filling LWDB member vacancies; and
3. Resignation, reasons for disqualification, removal, and reappointment of LWDB members.

LWDB membership and composition requirements can be found in [Administrative Policy 091 - Local Workforce Development Board Composition and Certification](#).

- c) **Authority of LWDB** – Include the power and authorities of the LWDB, including authority to recommend, select, and hire an executive director to perform operational and administrative functions of the local board.
- d) **Duties and Terms of the Members** – Describe the duties and term limits of the LWDB members. LWDB member term limit requirements are prescribed in [Administrative Policy 091 - Local Workforce Development Board Composition and Certification](#).
- e) **Officers** – Describe the authority of its officers, including terms of office, and LWDB officer duties.
- f) **Committees** – Describe the types of committees (e.g. executive committee, finance committee, nominating committee, etc.) as well as their authorities, responsibilities, terms of committee members and chairpersons, who has the authority to appoint committee members, and who may sit on the committees. LWDBs must adopt a committee structure consistent with applicable federal law and state policies.⁷ The LWDB will prohibit any LWDB staff from serving as members of a LWDB committee or subcommittee.
- g) **Meetings and Minutes** - Describe frequency of meetings and describe how regular board and committee meetings are planned and conducted. The LWDB will also describe the process and requirements for calling special and emergency meetings, what constitutes a special or emergency meeting, and who is authorized to call such meetings. This includes but is not limited to the requirement to timely provide the meeting schedule to the LWDB members and the public.
 1. **Record Keeping** – The LWDB will describe how meeting minutes will be scribed/recorded, retain records of local board members who are present/absent, and record official acts of the board including the number of votes of members (yeas, nays, and abstentions). Meeting minutes must be

⁷ Section 445.007(7), F.S.

made available publicly on the LWDB's website within 15 days of approval by the LWDB.

2. **Voting, Board Actions, and Conflict of Interest** – Include voting and quorum requirements, record official acts of the LWDB including the number of votes of members (yeas, nays, and abstentions). Abstentions due to conflict of interest or related party contracts must be recorded, include the name of the abstaining member, and the reason for abstention.

LWDBs must include in their board policies the requirement to conduct regular performance reviews, at a minimum annually, for the executive director. Performance reviews must, at a minimum, include local area performance in the federal and state programs administered by the LWDB, and state-issued letter grades. Additionally, performance reviews must evaluate the executive director's effectiveness in:

- a) Ensuring workforce investment activities carried out in the local area enable the local area to meet the corresponding performance accountability measures and achieve fiscal integrity as defined in WIOA sec. 106(e)(2).
- b) Meeting the functions outlined in **Section IV.A.5.** of this policy.

The annual performance review must be provided to and reviewed by the CLEO(s).

LWDBs must adhere to requirements in the Grantee-Subgrantee Agreement for board member conflicts of interest disclosures and applicable requirements. This includes but is not limited to the requirement to adopt and abide by a conflict of interest policy that ensures compliance with state and federal law, regulations and policies.

While it is preferable that the elements outlined in **Section IV.F.** of this policy be contained in comprehensive documents as described, it is acceptable that the items identified in this section be contained in separate agreements (memoranda of understanding, governing policies, and procedures, etc.), as long as the requirements of this section are clearly met.

G. Education and Industry Consortiums

Each LWDB must create an education and industry consortium composed of representatives of educational entities and businesses in the designated service delivery area. Education and industry consortiums in each local area must provide quarterly reports to the applicable LWDB which provide community-based information related to educational programs and industry needs to assist the LWDB in making decisions on programs, services, and partnerships in the service delivery area. The LWDB will consider the information obtained from the consortium to determine the most effective ways to grow, retain, and attract talent to the service delivery area. The chairperson of the LWDB will appoint the consortium members. Consortium members will be

appointed for two-year terms beginning on January 1 of the year of appointment, and any vacancy on the consortium must be filled for the remainder of the unexpired term in the same manner as the original appointment. Note: A member of a LWDB may not serve as a member of the consortium.

Education and industry consortiums are subject to state law and CareerSource Florida strategic and administrative policies.

H. WIOA Sunshine Provision, Public Disclosures, and Transparency

The WIOA “sunshine provision” requires LWDBs to conduct business in an open manner and make available, on a regular basis through electronic means and open meetings, information about the activities of the LWDB.

In addition to the sunshine provision under WIOA⁸, LWDBs must comply with and adhere to the transparency and public disclosure requirements in section 445.007, F.S. as well as requirements detailed in the Grantee-Subgrantee Agreement. Accordingly, the following items must be posted to each LWDB’s website:

- a) **Local Plans** – Information about the local plan, or modification of the local plan, before submission.

LWDB members and staff must maintain integrity, accountability and transparency in decisions and actions that earn and protect the public trust in compliance with [Strategic Policy 2018.09.26.A.1 - Ethics and Transparency Policy](#). This includes taking all necessary steps to avoid the appearance of conflicts of interest.

The LWDB is subject to open government and confidentiality requirements in Chapters 119 and 286, F.S.¹² The LWDB must appoint a public records coordinator for the purpose of ensuring that all public records matters are handled appropriately.

I. New Board Member Orientation and Annual Training

Members appointed to the LWDB are required to participate in orientation and annual training to ensure they understand the purpose of their participation on the LWDB. The purpose of orientation and training is to provide LWDB members with information that empowers them to effectively serve as a board member. The LWDB is expected to take all reasonable steps necessary to encourage attendance by the CLEO at board member orientation and training.

1. New LWDB Member Orientation

All new LWDB members, within six months of appointment, will complete a new board member orientation. The LWDB must develop LWDB member orientation for board members, which will cover at a minimum:

In addition to the minimum topics required for new member orientation and annual training, LWDBs may add additional topics that meet local needs for creating a knowledgeable, high-performing board. New member orientation and annual training may be offered in-person and/or virtually at the local area's discretion. The LWDB must retain and provide to FloridaCommerce upon request, attendance records of participants and the dates of completion. New board members completing the board member orientation are not required to complete the annual refresher training in the same year they become a new member.

J. State and Local Monitoring

At the local level, the LWDB must conduct oversight of the procurement process and resulting contracts and agreements to ensure all aspects of written agreements and contracts are compliant with federal and state laws and regulations. Additionally, the LWDB must also ensure that governing agreements are upheld. In instances where the LWDB is also the one-stop operator, the LWDB must follow the monitoring requirements outlined in Administrative Policy 097 – One-Stop Operator Procurement. The LWDB must also monitor compliance with this policy.

FloridaCommerce will perform programmatic and fiscal monitoring and will review the local area's agreements and contracts during the annual monitoring review for compliance with federal and state laws and regulations. Findings and other noncompliance issues will be handled through the state's monitoring resolution process.

V. DEFINITIONS

1. **Chairperson** is a business representative among the LWDB members who is elected by the LWDB.
2. **Chief Local Elected Official (CLEO)** (CEO in WIOA sec. 3(9))

II. BACKGROUND

Each local workforce development area (local area) in the state shall establish a local workforce development board to carry out the functions specified for the LWDB under WIOA sec. 107(d) for such local area. The state workforce development board (state board), in partnership with the Florida Department of Commerce (FloridaCommerce), will ensure LWDBs have a membership consistent with the requirements of federal and state law, state policy, and have developed a plan consistent with the state’s four-year WIOA plan.

[CareerSource Florida Strategic Policy 2020.02.20.A.1.](#)

[CareerSource Florida Strategic Policy 2023.09.19.A.2.](#)

Sections [445.004](#) and [445.007](#), F.S.

IV. POLICIES AND PROCEDURES

Outlined below are the policies and procedures for certifying LWDBs and ensuring the composition of and appointment of members to LWDBs are consistent with the provisions of federal and state requirements.

A. LWDB Membership and Composition

The Governor, in partnership with the state board, shall establish criteria for use by Chief Local Elected Officials (CLEOs) to appoint members of the LWDBs in accordance with WIOA sec. 107(b)(2) and to ensure there is appropriate and equitable representation from all counties included in the local area. The composition of the LWDB must meet the following criteria:

1. Business

A majority of the LWDB members shall represent businesses in the local area as individuals who:

- a. Are owners of a business, chief executives or operating officers of businesses, or other business executives or employers with optimum policymaking or hiring authority.
- b. Represent businesses, including small businesses, or organizations representing businesses that provide employment opportunities that, at a minimum, include high-quality, work-relevant training and development in in-demand industry sectors or occupations in the local area (at least two representatives of small businesses must be included).
- c. Are appointed from individuals nominated by local business organizations and business trade associations.
- d. Are not current members of the local area's Education and Industry Consortium as defined by CareerSource Florida's Strategic Policy 2023.09.19.A.2.

2. Labor/Apprenticeships

Not less than 20 percent of the members shall be representatives of the workforce within the local area that:

- a. Include at least two representatives of labor organizations nominated by local labor federations. For a local area in which no employees are represented by such organizations, at least two other representatives of employees will be included.
- b. Include at least one representative of a labor organization or a training director

from a joint labor-management apprenticeship program. If no union affiliated registered apprenticeship programs exist in the area, a representative of a non-union affiliated registered apprenticeship program must be appointed, if one exists.

- c. May include representatives of community-based organizations that have demonstrated experience and expertise in addressing the employment needs of individuals with barriers to employment, including organizations that serve veterans or provide/support competitive integrated employment for individuals with disabilities.
- d. May include representatives of organizations that have demonstrated experience and expertise in addressing the employment, training, or education needs of eligible youth, including representatives or organizations that serve out-of-school youth.

3. Education

Each LWDB shall include representatives of entities administering education and training activities in the local area who:

- a. Include a representative of eligible providers administering adult education and literacy activities under Title II of WIOA.
- b. Include a representative of institutions of higher education providing workforce investment activities (including community colleges).
- c. Include a representative of a private education provider if a public education or training provider is represented on the LWDB. LWDBs can search local private education providers on the Florida Department of Education website [Commission for Independent Education \(fldoe.org\)](https://fldoe.org). The state board may waive this requirement if requested by a LWDB if it is demonstrated that such representative does not exist in the local area.
- d. May include representatives of local educational agencies and community-based organizations with demonstrated experience and expertise in addressing the education or training needs of individuals with barriers to employment.
- e. Are not current members of the local area's Education and Industry Consortium as defined by CareerSource Florida Policy 2023.09.19.A.2.

When there is more than one institution in each of the types of educational entities listed above, nominations are solicited from representatives of each of these entities.

LWDBs requesting to waive the requirement for private education provider representation on the board must demonstrate that such a provider does not exist in the local area and/or is not willing to serve on the board. The LWDB will describe, in a locally defined process, how private education providers will be identified, and efforts taken to include those representatives on the LWDB. If through the locally defined process the LWDB finds that a private education

provider representative of an entity administering education and training activities in the local area does not exist or is not willing to serve on the board, the LWDB must submit a Private Education Provider Waiver Request Form (Attachment A) to: LWDBGovernance@commerce.fl.gov. The request must include a copy of the locally defined process used to identify private education providers and the results of the LWDB's efforts to include those representatives on the LWDB in its request.

4. Governmental/Economic/Community Development

Each LWDB shall include representatives of economic and community development as well as governmental entities serving the local area who:

- a. Represent economic and community development entities serving the local area.
- b. Represent Vocational Rehabilitation serving the local area.
- c. May represent agencies or entities serving the local area relating to transportation, housing, and public assistance.
- d. May represent philanthropic organizations serving the local area.

5. Other Entity Representation

Each LWDB may include other individuals or representatives of entities determined to be appropriate by the CLEO in the local areas.

Unlike the state board, members of the LWDB may be appointed as representatives of more than one entity if the individual meets all the criteria for representation.

B. LWDB Chairperson

The LWDB chairperson is elected by the members of the LWDB and must be one of the business representatives on the LWDB. LWDB chairperson requirements can be found in [Administrative Policy 110 – Local Workforce Development Area and Board Governance](#).

C. Standing Committees

The LWDB may designate and direct the activities of standing committees to provide information and to assist the LWDB in carrying out its required activities, as further prescribed in WIOA sec. 107(b)(4).

D. Authority of Board Members

Members of the board who represent organizations, agencies, or other entities must be individuals with optimum policymaking authority within the organizations,

agencies or entities.

E. Board Member Recruiting, Vetting and Nominating

The LWDB, in consultation with the CLEO, must develop and implement written processes and procedures for recruiting, vetting and nominating LWDB members. The qualifications of LWDB members must be documented, align with the requirements of WIOA, and be compliant with all federal and state laws, rules and regulations, and applicable state policies. Documentation supporting the recruitment, vetting and nomination process, including names of nominating organizations and names of all candidates and their qualifications, must be retained for not less than five years.

In addition to criteria outlined in Section A. of this policy, the members of the LWDB must represent diverse geographic areas within the local area and must ensure appropriate and equitable representation from all counties included in the local area. The importance of minority and gender representation must be considered when making appointments to the LWDB¹.

F. Appointment of Board Members

The CLEO in a local area is authorized to appoint the members of the LWDB who meet the criteria outlined in **Section IV.A.** of this policy. The CLEO may not delegate the responsibility of appointing members to the LWDB, to the executive director or to staff of the LWDB.

When a local area includes more than one unit of local government, the CLEOs of such units may execute an agreement that specifies the respective roles of the individual CLEOs regarding:

- a. The selection, appointment, removal or reappointment of the members of the LWDB from individuals nominated or recommended to be such members; and
- b. Carrying out any other responsibilities assigned to such officials in accordance with WIOA.

If after a reasonable effort the CLEOs are unable to reach agreement, the Governor may appoint the members of the LWDB from individuals so nominated or recommended.

LWDBs must adopt and abide by a conflict-of-interest policy that ensures compliance with federal and state laws, rules and regulations and applicable state policies.

Upon appointment to the LWDB, members must be educated about and acknowledge state and local conflict-of-interest policies.

LWDB members who are not otherwise required to file a full and public disclosure of

¹ Section 445.007(1), F.S.

financial interests under Section 8, Art. II of the State Constitution or Section 112.3144, F.S. must be advised of their obligation to file a statement of financial interests under Section 112.3145, F.S.

G. Board Member Vacancies, Term Limits and Removal

LWDB members who no longer hold the position or status that made them eligible appointees must resign or be removed by the CLEO. Local workforce development board vacancies must be filled within a reasonable amount of time, but no more than 12 months from the vacancy occurrence. This process must be described in the local area's bylaws or in a local operating procedure.

LWDB members shall serve staggered terms and may not serve for more than eight (8) consecutive years unless the member is a representative of a government entity. Service in a term of office which commenced before July 1, 2021, does not count toward the 8- year limitation.

The Governor and CLEO may remove members of a LWDB, its Executive Director and/or the designated person responsible for operational and administrative functions of the board for cause.

H. Certification of Local Workforce Development Boards

1. Certification

Once every two years, one LWDB must be certified for each local area in the state, based on the criteria described in WIOA sec. 107(b) and this policy. For a second or subsequent certification, certification must also be based on the extent to which the local area ensures workforce investment activities carried out in the local area enabled the local area to meet the corresponding performance accountability measures and achieve fiscal integrity as defined in WIOA sec. 106(e)(2).

The state board, on behalf of the Governor, approves the certification of LWDBs every two years. FloridaCommerce, in consultation with CareerSource Florida, will issue instructions to the LWDBs for certification. At the appropriate time intervals, instructions will be issued to LWDBs about the certification process, to include documentation requirements.

At a minimum, LWDBs must provide the following certification documents to FloridaCommerce:

- a. LWDB membership, composition and policymaking authority.
- b. LWDB chairperson (confirming the chairperson is one of the business representatives on the LWDB).
- c. Membership of standing committees including education and industry consortium(s).

Upon satisfactory review of an LWDB's certification documents, FloridaCommerce will provide a recommendation regarding certification to the state board.

2. Failure to Achieve Certification

Failure of an LWDB to achieve certification shall result in appointment and certification of a new LWDB for the local area pursuant to WIOA sec. 107(c)(1). [Administrative Policy 104 – Sanctions for Local Workforce Development Boards' Failure to Meet Federal and State Standards](#) details the actions the state board and FloridaCommerce may take if an LWDB fails to meet this standard.

I. Decertification of Local Workforce Development Boards

The Governor may decertify a LWDB in accordance with WIOA Sec. 107(c)(3), as further prescribed in Administrative Policy 104, Sanctions for Local Workforce Development Boards' Failure to Meet Federal and State Standards.
