Presentation of the 2024 - 2025 Master Credentials List

Dan McGrew

Sr. Vice President, Workforce Program Development

- FL Statute 445.004 requires annual review of the Master Credentials List.
- Over 2,500 credentials were evaluated and include:
 - Current Master Credentials List
 - New credentials added to the credential inventory
 - Existing credentials in the credential inventory that were not added to the Master Credentials List
- Existing Master Credentials List credentials that do not meet the Framework of Quality are identified for removal on the 2025-2026 Master Credentials List.
- Credentials identified for removal will have opportunities to establish local demand or credential sequencing to cure deficiencies in either demand or wage evaluations.

2024-2025 Master Credentials List

Credential Type	Total on MCL	New for 2024-25	Identified for Removal
Degree Programs of Study	297	5	20
Non-Degree Programs of Study	880	118	155
Industry Certifications	534	29	150
Apprenticeships	559	50	132
Digital Tools	37	0	0
Total	2,307	202	457

Credentials Identified for Removal

- 457 identified for removal due to not meeting demand or wage criteria.
 - Opportunities to submit applications for local demand or credential sequencing by March 31, June 30, September 30, and December 31.
 - Technical Assistance documents presented at the last meeting are now on the website and identify what documentation is required for both local demand and credential sequencing.
- 38 additional credentials that are no longer available are included on a separate tab.

- One additional credential from the September applications is being presented for addition to the Master Credentials List:

SHRM Certified Professional (SHRM-CP)

Action Item

For Consideration:

- Approve the 2024-2025 Master Credentials List as presented and send to the CareerSource Florida Board of Directors for delivery to the State Board of Education.
- Approve technical revisions to the list by the Department of Education, as needed without adding or removing any credentials not explicitly described in this Action Item.
