Vendor Questions	CSF Responses
1. What do you mean by demographic data by training providers? Is this beyond what is currently available through iPEDS?	iPEDS data would suffice; however, if you have additional information, please include those details in your response.
2. Can you clarify what you mean by "work hours?" Is this beyond PT or FT hours?	FT and PT are acceptable, but if you have job opening data with greater granularity, please include those details in your response.
3. Could you add clarity to "credential-to-occupation pipeline"? Is this historic or is it current day?	Mapping credentials to occupations. Either, but if you have both, please acknowledge.
4. Can you expand on "work culture trends?" Are you referring to things such as remote work, 4-day work weeks, etc?	Yes, but this could also be other trends (i.e., use of Artificial Intelligence, skills overtaking degrees, professional development opportunities, employee well-being opportunities, and others).
5. Can you expand upon this request? Are you referring to predictive modeling for occupations, skills, etc? Or is there something further you're looking for?	Yes, but if you have additional capabilities, please include in your response.
6. Can you provide an example of a factor influencing labor market and economic conditions to better identify expectations for this request?	Industry trends, introduction of new technology, and other similar factors.
7. Can you expand on your expectations on real-time updates? Is this referring to the data or updates within the platform itself?	Data that is available as soon as it's created and acquired. Both data and updates within the platform.
8. Can you provide an example of what type of tool/app you're hoping to link to? Are you referring to SSO?	There is not a specific example being considered at this time; however, we would like to know if your product can link for future use. No, not specifically referring to SSO.
1. Whether companies from Outside USA can apply for this? (like, from India or Canada)	No
2. Whether we need to come over there for meetings?	Virtual meetings are acceptable. In-person meetings as required.
3. Can we perform the tasks (related to RFP) outside USA? (like, from India or Canada)	No
