013 – Education and Industry Consortium

P82 – Local Targeted Occupation List Requirements

P40 – Wagner-Peyser Migrant and Seasonal Farmworker and Agricultural Employer Services Procedures

P98 – Wagner-Peyser Employer Services

F50 – Cost Allocation Plans for Regional Workforce Boards

F52 – Contingency Reserves

- **Workforce Policy O13: Industry, Workforce and Education Alignment**
 - To combine 3 previous policies and create more streamlined and efficient policy guidance on alignment between WIOA funded workforce training investments and the needs of Florida businesses, complimenting updates to Workforce Policy P90.
- **Workforce Policy P90: WIOA Eligible Training Provider List**
 - To build one clearer statewide pathway from labor-market demand, to credentials of value, to eligible WIOA-funded training that aligns with proposed rulemaking.
- **NEW policy on Wagner-Peyser Employment Services Staffing and Other Requirements**
 - Establishes a clear and consistent framework for the transfer of Wagner-Peyser service delivery and staffing to LWDBs.

Local Planning Updates

- Regional and Local WIOA plans are required by federal law.
- Local boards have TWO options:

Combined Regional Plan	Single Local Plan
One combined plan coordinated with their local planning region partners with separate addendums for each LWDB on performance. DUE January 19, 2027	A separate local plan with the required regional plans added as an addendum. DUE October 6, 2026

- LWDBs electing the *Single Local Plan Option* will be reviewed and presented at the December meeting.
